

Departmental Conference Travel Fellowship Application

The department provides fellowships for PhD students to travel to conferences and workshops, up to \$500 per trip. Eligible students must complete this application, have it endorsed by the faculty advisor, and submit it to the DGS office at least 10 business days before the trip. To be eligible, a PhD candidate (i.e., one who has passed the preliminary exam) must have a publication (e.g., paper, demonstration, or poster) at the conference or workshop he or she is traveling to. Pre-candidacy PhD students are not subject to this eligibility requirement. Each student is limited to one departmental conference travel fellowship per fiscal year; exceptions are granted rarely and only with demonstrated need.

Please note: A) Departmental conference travel fellowships are subject to availability of funds. B) The Graduate School also provides a conference travel fellowship to PhD candidates. PhD candidates must also apply for that fellowship, which can be combined with the departmental fellowship for the same trip. C) For reimbursement instructions, see the Graduate Student Travel Reimbursement Form (available from <http://www.cs.duke.edu/education/resources/graduate>).
