CompSci 94
Logic with Ifs, Nested Ifs
February 12, 2019

Prof. Susan Rodger
Review Nested IF

• What happens if the diningTable has width 1.7 and depth 1.0?
Logic Review

• What are possible values of A and B
  – if A and B is True?

  – if A or B is True?

  – if A or B is False?
Consider this code – Nested Ifs
How would you write it with ONE IF?
